THE ANNUAL

FANSHAWE COLLEGE

INDUSTRY NIGHT

The SDPA Industry Night for 2023 will showcase student projects and activities from the Interactive Media Design Program. Meet and mingle with faculty and students, tour the facilities, and hear about upcoming projects and programs in the School of Digital and Performing Arts.

What to Expect

Networking: Connect with industry leaders, creatives, and visionaries in the interactive media field.
Showcasing Talent: Witness the latest projects, designs, and cutting-edge technologies shaping the industry.
Expert Insights: Gain invaluable knowledge from keynote speakers and panel discussions.
Collaboration Opportunities: Explore potential partnerships and collaborations that could shape the future of interactive media.

Don't miss this exclusive opportunity to immerse yourself in the dynamic world of interactive media. Join us for a night of creativity, connection, and endless possibilities!
